1962 BULB LIST

From the Netherlands we selected the varieties of Bulbs indicated in this list. We trust you may find the varieties you would like to have in your Home and Garden this Winter and Spring. All our bulbs are of Top Grade or larger sizes and should produce better and bigger flowers than smaller bulbs.

We guarantee that all bulbs we sell are in perfect condition at the time of sale and will cheerfully refund the purchase price if not found to be so but we cannot entertain any possible claims referred to us more than 10 days after receipt of bulbs.

BEGONIAS

For Delivery—December to April

A price list will be issued in October with full list of varieties and prices. We will have both Belgian and California Grown types in stock for winter delivery.

We expect to have good Bulbs from Holland or Belgium November-December, and offer the following types:

Camelia flowered double in separate colors:

Carnation flowered fringed double

Crispa, Marginata, single

Cristata, single

Marmorata-spotted mottled, double

Pendula double hanging Begonia

Rosebud, double

Large 2" Bulbs at 35c each

California grown Begonias in above separate varieties and colors

2" Bulbs—40c each

GLOXINIAS

in separate colors

Large 2" Bulbs at 40c each

The Danish Seed Co. warrants to the extent of the purchase price that Seeds and Bulbs sold are described on the container within recognized tolerances. Seller gives no other further warranty expressed or implied.
